General:

Crane Hotel Faralda is a nowadays famous icon in Amsterdam. The monumental crane is located in the middle of the bustling NDSM site. On top of the crane are 3 exclusive 5 ***** suites. A panorama lift gives access directly into your suite. The all have been designed by an international team of interior architects. Each of them have their own style and are furnished with designer furniture, unique paintings and contemporary art. Each suite has 2 floors. Next to the living room there is an enclosed bathroom with rain shower and toilet. The spacious King size bed and a large bath are located in the bedroom. The heated spa pool is located at the top of the crane. The view over Amsterdam and the harbor is majestic. The crane is the most romantic and inspiring place to stay.

You are in good company. CEOs, artists, movie stars and models and free spirits, stay in the Crane. World-famous DJs play their set for an exclusive small audience. Access is Private & Invites only.
